# “Brave Carrie's Super Power Kola Rescue Operation!”

Carrie is a typical eleven-year-old girl who can't put her mobile phone down in hopes of becoming the next big SNS influencer. The odds of achieving her goal just got higher when she meets a sassy superpower alien called <Master> who crash-landed on earth. Master was being chased by an evil space villain called <Specter> due to a chain of unfortunate events. In order to escape Specter's pursuit, Master had to sneak into Carrie's favorite plushy doll <Kola> who later on becomes <Super Kola>, an immensely powerful black poodle with alien superpowers.

At first, Carrie is full of doubts about Master who snuck into her favorite toy without her permission, but slowly she starts to open up to her new secret friend. Soon after, through the help of *Super Kola's magic trick videos*, *Carrie gets on top of her influencer game*. Things were looking up for everyone until...

They were visited by Specter who caught Master on his radar because of Super Kola's excessive use of superpowers for Carrie. The fight between them continued as Specter tried to collect the eternal energy source of the universe. Eventually, Carrie and her whole gang of friends join to fight the forces of evil and Carrie defeats Specter with her secret superpowers by absorbing Super Kola's energy. After the epic fight, they all returned home safely and earth is back in peace. Master decides to remain on earth as *Carrie's secret friend, Super Kola to help her and her friends continue to protect the earth from space villain.*
