There are spells to make things fly, to change one's luck, to put someone in a good mood, and even to make a musical instrument play on its own! Now all that Dee Dee wants to be is a bona fide sorceress.

There's one catch though. Magic doesn't always work straight away, especially when you are learning, and so the results can sometimes be quite surprising! Luckily for Dee Dee, her friends are very patient and understanding, and together they manage to resolve all sorts of everyday things!
